■ **HASSLES 2:** Sizzle's fizzled for “Men in Tre” stars **ANNE HECH** and **JAMES TUPPER**, who were overheard battling over dinner at a Vancouver eater. Heche, who dumped hubby **COLEY LAFFOO** to sample Tupper's war snarled: “You're more concerned about your ex-w and your damned dog than yo are about me!” As Tupper tried to calm her, Heche suddenly grabbed his cell phone off the table, threw it at him – and stormed out solo!

singer's last concert tour, she hired a professional tanner who fine-tuned her skin tones to complement every costume. Mariah loved the result, and now she's partnering with the woman to launch a new line of self-tanning solutions.

■ **HASSLES 3:** Hell hath no fury a jittery bride whose groom changed the wedding date – that's why “Desperate Housewives” star **EVA LONGORIA** flipped and jetted to Texas to confront fiancé **TONY PARKER** as he nonchalantly told her: We need to switch our July date to Christmas because I'll be touring to promote new rap album! Accusing Tony of getting cold feet and wanting to ditch marriage, Eva wailed: “The invitations are out, and the plans are all for July 7 in Paris!” Like a typical Tony can't fathom the fuss. “I didn't say we weren't getting married – I wanted to postpone it to promote album!” Here's the compromise: wedding's on for July 7 – but they cut the honeymoon short so Tony tour...And how was YOUR week?
